Dear Mr. Monk:

According to the EPA FOIA Office, this is not a proper FOIA request because it does not contain proper contact information (e.g. mailing address, telephone number) as per the EPA Regulations (40 CFR §2.102(a) - Procedures for making requests). Please provide that information so your request may be entered into the FOIAonline system. Alternatively, you may make your request directly to the FOIAonline system by visiting <https://foiaonline.regulations.gov/foia/action/public/home>.

Please let me know if I can provide any additional information.
